Campania
„Ajută-mă să te ajut!”

oferă suport și protecție copiilor și familiilor refugiate din Ucraina

**AJUTĂ-MĂ
SĂ TE
AJUT!**

Impact after 3 months of the campaign

2,827
refugee children
referred to
municipal
services

50,610
humanitarian
packages
provided to
refugees

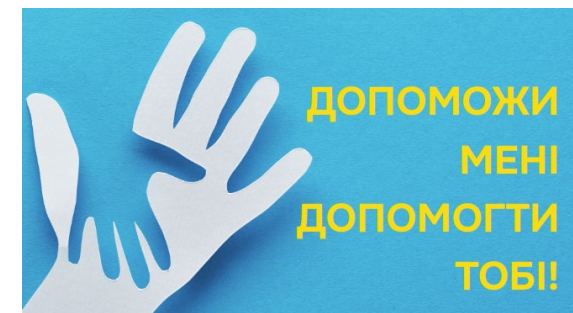

1,999 refugees received
hospital care
9,140 refugees consulted
with family doctors
6,425 children & **468** pregnant
women provided medical
assistance

Doubled the
number of refugee
children enrolled
in schools &
kindergartens
(**828**)

661 refugees
employed

Child Protection Information System (CPIS)

CPIS Modules

Adoptions

Repatriation

Abductions

Reports and analytics

- ▶ Information on national and international adoptions
- ▶ Adoptable and adopted children
- ▶ Adoptive parents
- ▶ Post-adoption monitoring

- ▶ Information on repatriated children
- ▶ Repatriation missions
- ▶ Forms of protections after repatriation
- ▶ Non-repatriated children and causes

- ▶ Information on cases of child abductions or illegal detainment
- ▶ Children returned back to the Republic of Moldova
- ▶ Actions conducted by authorities to return the children and results

- ▶ Generation of statistical reports and daily work reports
- ▶ Calculation of monitoring indicators
- ▶ Generation of dashboards

Social services/Forms of protection:

- Case management performance indicators
- Alternative care indicators
- Violence against children indicators
- Abduction and repatriation indicators
- Child Helpline indicators

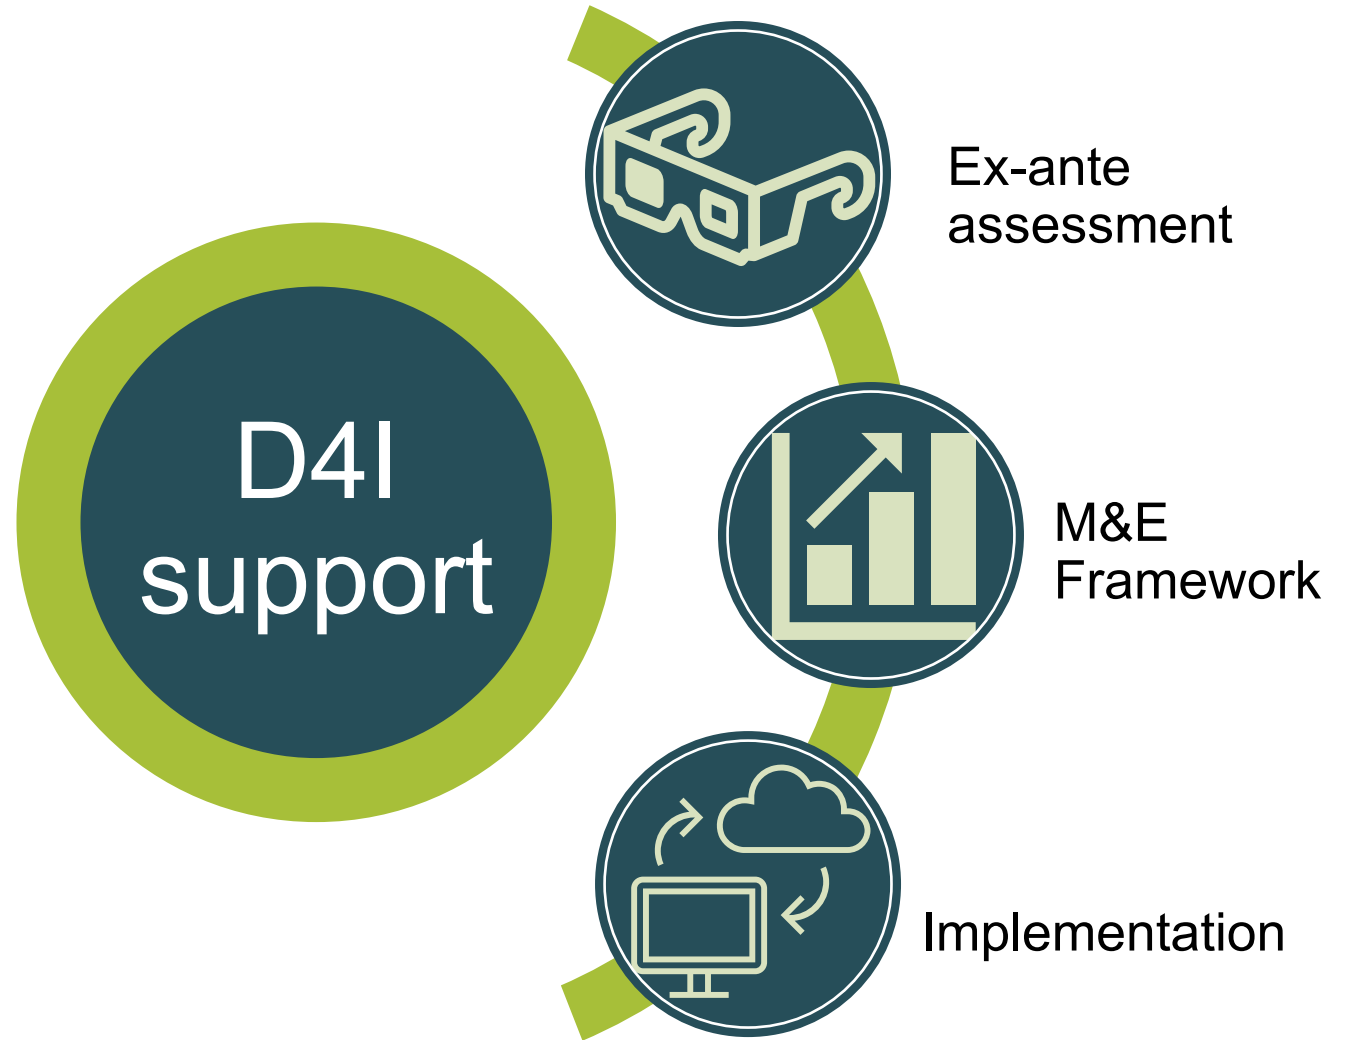

Connect CPIS to Government information systems for better data exchange
